Poster suggestions and guidelines

1. Information Country/Institute/Authors/Contact person/Vision or slogan.
2. Objectives Main & sub goals, baseline measurement, timeline.
3. Status (Full) Implementation status, participating wards, implementation strategies.
4. Evaluation Quantitative & qualitative results, event analysis, business case.
5. Key factors How to overcome challenges, lessons learnt, conditions, barriers.
6. Conclusions, next steps.

Posters will be judged by the following criteria

1. Specific interventions: creativity of finding resources in times of economic crisis.
2. Implementation process: qualitative strategies and impact.
3. Sustainability: clarity of project and quantitative outcomes.
4. Future perspective: expanding (SOP) implementation hospital-wide/country-wide.
5. Poster design, use of graphics, photos and illustrations

Poster maximum size

1. Height: 160cm & width: 90cm. The orientation format of your poster is **Portrait**.

Poster design

1. The title of your poster should be at the top, in large letters to get the viewer's attention.
2. Posters should then display authors, institutions of origin and contact details.
3. The goal is to convey a clear message and support it with a compelling combination of images and short texts.
4. Text on the objectives, methods, results and conclusions need to be kept brief.
5. Every element, including graphs and tables must be easily readable (distance of 2 metres).
6. Consider how best to use colour, photos, charts and pictures to enhance the information presented.

Poster deadlines

Please send an **electronic version of your poster by 8 December 2014** to e.vanderschriek@cbo.nl with your permission we will upload your poster on the PaSQ website.

Please **bring your printed poster on 12 December 2014**.

1. There will be no printing services available on site.
2. Posters will be set up by the conference team on 12 December 2014.

Date Friday 12 December 2014, 10 am – 4.30 pm
