The European Network for

Patient Safety & Quality

JA PaSQ

Conclusions

Brussels, 13 March 2015

No cost extension Should be confirmed by CHAFEA next week and officialised before 27 March

Great Job! Thank you!

Aknowledged In Council Conclusions

Still a lot of work to do to improve PS&QC In the field

How the EC will implement Council Conclusions regarding PaSQ proposal still under discussion

If you want to travel fast you travel alone, if you want to travel far you take a network with you

2 milestones:

- Future agenda in PS&QC
- Health work program 2015

Future agenda in PS&QC

- Feedback 27 March
- MS representative in the PSQC expert group (usually a representative of the MoH)
