

European Patient Safety Exchange Mechanism (WP4)

Patient Safety Initiatives Implementation (WP5)

UK Invitation to join the NHS England Patient Safety Team Webinar

As part of the European Patient Safety Exchange and Patient Safety Initiatives Implementation programmes the NHS England Patient Safety Team will be hosting a webinar to share the England experience of improving paediatric patient safety using a systematic approach (PEWS).

The webinar session will provide attendees with an overview of the work undertaken in England related to reducing harm associated with monitoring the deteriorating child patient and provide an opportunity for sharing of experiences from across Europe.

The session will be held on **the 19th September 2013 from 16.00 – 17.30 BST (17.00-18.30 CEST)**. To register your interest in joining this session please contact Lynne Caley on lynne.caley@ntlworld.com
